requested to furnish details for the charges provided for under the head "Conservancy" in the several Municipalities in the district.

The Charges in Tiptoor especially seems large, compared with its annual collections, though it may be met in the present year from the large amount of cash balance on hand. The nature of this balance, and the circumstances under which it has accrued should be explained.

In the Tumkur Municipality no provision is made for the repayment of the balance of the loan, ₹500, which is due in the current year with interest. The Budget of Expenditure should therefore be revised for this Municipality, and with this exception, the Budgets submitted are sanctioned and forwarded to the Dy Accts: General.

Sir,

I have the honor, with reference to para 5 of the Chief Commissioner's Proceedings No $\frac{846-47}{\text{Jud. } 57}$ dated 9th Ultimo, to submit herewith a statement giving details for the charges provided for in the Municipal Budget Estimate of the current year under the head "Conservancy" in the several Municipalities in this District.

2- The large cash balance in hand at the credit of the Tiptur Municipality accrued from the Octroi duty which used to be levied up to the year 1870-71, yielding annually a revenue of about Rupees 2500- This duty was abolished in 1871-72 when a

Grant

house tax was substituted for it. This house tax yields about Rupees 280 per annum. At the beginning of the year 1871-72 there was however an available balance of about 10,000 Rupees which was utilized occasionally to meet the various requirements of the Town which is an important Market in the District. I am taking steps to reduce the expenditure on account of Conservancy in this Municipality.

3. A Revised Budget for the town of Trimkur is herewith submitted for approval providing Rupees 520 for the repayment of the balance of the loan of Rupees 500 with interest, as directed in the last para of the Proceedings under reply.

I have the honor to be
Sir,
Your most Obed. Servt.
